## Occupational Therapist

Central State Hospital, a JCAHO accredited psychiatric facility is currently seeking several organized, experienced and professionally trained Occupational Therapists for our wards in our Forensic Unit. The Rehab Department is looking for candidates who are self-starters and possess the ability to develop and implement treatment programs for clients in our Forensic Program. We offer a unique and diverse environment that includes forensic, acute, and long-term populations. The Occupational Therapy services focus on both physical and cognitive interventions as well as psychosocial rehabilitation that include the development of social, independent living and vocational skills.

The successful candidate must possess a degree in Occupational Therapy, completion of an approved internship, and experience in developing and implementing treatment programs. Experience in a mental health or psychiatric setting is preferred. National registration and a Virginia licensure (eligibility) to practice as an Occupational Therapist are required. We offer a comprehensive benefit package to include health insurance, paid life insurance and retirement plan, 12 paid holidays, annual and sick leave, in addition to the opportunity for growth through continuing education is offered.

An extensive criminal history background investigation, employment references and drug testing will be conducted. **Starting salary is \$40,000.** This position will remain open for a minimum of five workdays or until positions are filled. Resumes may accompany but will not substitute for a completed State Application Form (DHRM 10-012).
